

Guaranteed Asset Protection (GAP)

Protection in case of a total loss.

HYUNDAI

PROTECTION PLAN

GAP waives what insurance doesn't cover.

What is GAP?

If your Hyundai is ever declared a total loss due to an accident, theft or natural disaster, your auto insurance company might only reimburse you an amount equal to their assessed market value of your vehicle. Unfortunately, there may be a significant gap between what your insurer pays and the balance you owe on your vehicle loan.

GAP helps waive the difference

In many instances, the outstanding balance on your loan is greater than the amount your auto insurance company will pay in the event of a total loss. Hyundai Protection Plan's Guaranteed Asset Protection (GAP) product protects you by waiving the difference and offering the following¹:

- Available on loan amounts up to 150% of your vehicle's MSRP, up to \$150,000¹
- Includes coverage for your insurance deductible up to \$1,000²
- Waives covered losses up to \$50,000

Coverage exclusions may apply³:

- Any amounts or terms exceeding the program maximums
- The following deductions taken by the primary insurer: Prior Damage, Salvage, Missing Items, Excess Towing, Custom Equipment and Storage
- Total losses resulting from the Customer's dishonest, fraudulent or illegal acts (such as DUI), or those committed by the Customer's family member or other person acting under the Customer's authority
- Vehicles used for competitive driving, racing or a prohibited commercial purpose

How GAP protects your investment

Here's an example of how a Hyundai Protection Plan GAP product would cover a \$25,000 vehicle declared a total loss due to an accident:

Outstanding loan balance	\$22,000
Insurance assessment of vehicle's Actual Cash Value, less \$1,000 deductible	- \$16,000
<hr/>	
Your potential expense	\$6,000
Waived by GAP	- \$6,000
<hr/>	
Amount you owe	\$0

This example is for illustrative purposes only. Actual GAP waiver benefit calculations will vary based on specific circumstances.
